

Glovatrix Pvt. Ltd. Wins National Startup Award 2026 in Inclusive Design Category.

Congratulations

Glovatrix Pvt. Ltd. has been awarded the National Startup Award 2026 in the Inclusive Design category.

The award recognizes the team's efforts in developing innovative solutions that prioritize accessibility and inclusivity, addressing critical needs across diverse user groups.

The company's innovations, including assistive wearable devices and sign language translation technologies, aim to bridge communication gaps and enhance accessibility across healthcare, education, and public environments.

Congratulations to the team, and best wishes for their success!
