# *Congratulations!*

Congratulations to Biodimension Technology Pvt. Ltd. on raising ₹8 crore in a funding round led by IAN Angel Fund, with participation from Campus Angels Network, Dr. Sampath Srisailam, and Aaryan Baid.

Biodimension is pioneering the development of biofabricated human tissue and organoid models, enabling more accurate and human-relevant alternatives to animal testing for drug discovery, safety assessment, and preclinical research. This investment marks a significant milestone in the company's journey to advance next-generation life science research tools and accelerate innovation across the pharmaceutical, biotechnology, and cosmetics sectors.

We wish the Biodimension team continued success as they scale their impact and contribute to transforming the future of preclinical research.
